In accordance with Indiana statute, including IC 5-22-9, the Indiana Department of Administration (IDOA), acting on behalf of the Indiana State Department of Health (ISDH), requires local sponsors for Women, Infants, and Children (WIC) clinics funded by the Indiana WIC Program. Neither this RFP nor any response (proposal) submitted hereto are to be construed as a legal offer.

The purpose of this RFP is to select a vendor that can satisfy the State’s need for local WIC sponsorship. It is the intent of the ISDH to contract with vendors that provide quality local WIC sponsorship. Vendors may include county health departments, not-for-profit hospitals, and social service programs. The successful Respondent must demonstrate a history of providing health and social services in its service area and have

a sound financial base that permits advancing funds for program activities while awaiting reimbursement from the state.

1.4 SUMMARY SCOPE OF WORK

The Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) was established through the Child Nutrition Act of 1966 and reauthorized by the Healthy, Hunger-Free Kids Act of 2010. WIC services are available in all 50 states, Washington, D.C., and U.S. territories. Congress funds the WIC Program through the U.S. Department of Agriculture, Food and Nutrition Services Division (USDA/FNS). The funds are distributed to states and territories based on the number of participants served. The ISDH receives funding through the regional USDA/FNS office in Chicago, IL, to administer the program and pay for the redemption of food instruments. For Federal Fiscal Year 2011 (October 1, 2010 to September 30, 2011), Indiana was awarded approximately \$122 million. Twenty-seven million was awarded to local agencies to sponsor WIC clinics. The ISDH currently contracts with 49 local agencies to provide WIC services in all 92 counties at 146 clinic sites. The program serves approximately 300,000 individuals per year. The average monthly caseload is approximately 172,000. Thirty (30) percent of current participants are women. Thirty-one (31) percent of current participants are infants. And, Thirty-nine (39) percent are children.

The local agency provides services to applicants and participants, maintains fiscal responsibility, works with vendors, and conducts community outreach. The ISDH WIC Program staff support local agencies through technical assistance, training workshops, guidance regarding policies/procedures contained in the Indiana WIC Program Policy and Procedure Manual, and provide periodic monitoring of local agency clinics.

Each WIC participant receives an individually prescribed food package based on nutritional need and specific risk factors. The foods prescribed meet specific criteria in regard to their nutritional benefits in comparison to nutritional needs. Women and children food packages may include fresh and frozen fruits and vegetables, milk/cheese, eggs, cereal, juice, beans, tuna, and peanut butter. Infant food packages may include iron-fortified formula, infant cereal, fresh and frozen fruits and vegetables, whole wheat bread, and rice.

The State may request best and final offers from those Respondents determined by the State to be reasonably viable for contract award. However, the State reserves the right to award a contract on the basis of initial proposals received. Therefore, each proposal should contain the Respondent's best terms from a price and technical standpoint.

2.3.13 Indiana Preferences

Pursuant to IC 5-22-15-7, Respondent may claim only one (1) preference. For the purposes of this RFP, this limitation to claiming one (1) preference applies to Respondent's ability to claim eligibility for Buy Indiana points. **Respondent must clearly indicate which preference they intend to claim. Additionally, the Respondent's Buy Indiana status must be finalized when the RFP response is submitted to the State.**

Refer to Section 2.7 for additional information.

2.4 TECHNICAL PROPOSAL

The Technical Proposal must be divided into the sections as described below. Every point made in each section must be addressed in the order given. The same outline numbers must be used in the response. RFP language should not be repeated within the response. Respondent must use the **Technical Proposal Template (Attachment F)**. Where appropriate, supporting documentation may be referenced by a page and paragraph number. However, when this is done, the body of the technical proposal must contain a meaningful summary of the referenced material. The referenced document must be included as an appendix to the technical proposal with referenced sections clearly marked. If there are multiple references or multiple documents, these must be listed and organized for ease of use by the State within Attachment J, the Summary of Attachments.

- 2.4.1 Respondents must submit a completed Attachment F to explain how the Respondent will implement the scope of work outlined in Attachment D. The Respondent may also provide a four page narrative using size 12 Times New Roman font. The following items should be addressed via Attachment F and the accompanying narrative:
 - a. Respondent must detail its proposed caseload and the counties it intends to serve. Respondents should reference county participation included in Appendix D of Attachment D when defining proposed caseload. Proposals must sponsor at least one county to be accepted. Marion County is the exception. A Respondent may include all or some of the quadrants in a Marion County Proposal. Respondent should refer to Appendix C of Attachment D when bidding on Marion County. Quadrants must be listed in the Proposal as Northwest, Northeast, Southeast, Southwest, or Central.
 - b. Describe internet service for the WIC clinic.
 - c. Define how the Respondent will support the WIC clinic and supervise WIC clinic staff. Information about supervision of the WIC Coordinator is required for a Proposal to be accepted.
 - d. Describe how the Respondent organization's mission, vision, or values supports the WIC Program.
 - e. Describe the Respondent's successful outreach activities and how they can be implemented to benefit participation in the WIC Program.
 - f. Describe what inventory will be provided to WIC clinics through non-WIC funds.
- 2.4.2 Respondents must provide a Staffing Model or Organization Chart including WIC Coordinator Supervisor, WIC Coordinator, CPAs, Clinic Assistants, and

Breastfeeding Coordinator.

- 2.4.3 Respondents must provide a facility map(s) and clinic flow diagram(s). Parking areas must be included in the facility map. Hours of operation and number of miles to closest bus station should be recorded in the narrative.
- 2.4.4 Respondents must provide a Transition Plan by completing Attachment G if the Respondent is bidding on caseload currently served by a local agency other than the Respondent. For a list of WIC clinic locations, please go to <http://www.in.gov/isdh/20424.htm>. Attachment G is required for a Proposal to be accepted if a transition plan is needed.
- 2.4.5 Respondents must provide a certified copy of CLIA Waivers for the Proposal to be accepted.
- 2.4.6 Respondents must provide a statement that says the Respondent is willing to provide universal precaution training and hepatitis vaccine to WIC clinic staff.

2.5 COST PROPOSAL

Please complete the Cost Proposal (Attachment H) including the narrative for each section. Attachment H must be submitted in order for the Proposal to be accepted. If the Respondent anticipates including WIC's share of the local agency's administration costs in Attachment H; then a cost allocation plan must be submitted for the Proposal to be accepted.

Once Attachment H is complete, the worksheet will automatically calculate an "Average Cost Per Participant." When developing the Cost Proposal, the Respondent can compare the cost per participant to the historic baseline cost(s) per participant for the county or counties that it is bidding to serve. The historic baseline costs can be found within the "BASELINE" tab of Attachment H. For information on how the Cost Proposal is scored, please see Section 3.2.3.

2.6 INDIANA ECONOMIC IMPACT

All companies desiring to do business with state agencies must complete an "Indiana Economic Impact" form (Attachment C). The collection and recognition of the information collected with the Indiana Economic Impact form places a strong emphasis on the economic impact a project will have on Indiana and its residents regardless of where a business is located. The collection of this information does not restrict any company or firm from doing business with the State.

2.7 BUY INDIANA INITIATIVE/INDIANA COMPANY

It is the Respondent's responsibility to confirm its Buy Indiana status for this portion of the process. If a Respondent has previously registered its business with IDOA, go to <http://www.in.gov/idoa/2464.htm> and click on the link to update this registration. Click

the tab titled Buy Indiana. Select the appropriate category for your business. Respondents may only select one category. Certify this selection by clicking the check box next to the certification paragraph. Once this is complete, save your selection and exit your account.

Respondents that have not previously registered with IDOA must go to <http://www.in.gov/idoa/2464.htm> and click on the link to register. During the registration process, follow the steps outlined in the paragraph above to certify your business' status. The registration process should be complete at the time of proposal submission.

If a Respondent needs assistance in determining if its business qualifies under this criterion, please send an email inquiry to buyindianainvest@idoa.in.gov and you will receive a response within forty-eight (48) hours. If an out of state company does not meet one of these criteria, it can submit

documentation/justification to the State for review for inclusion under this category.

SECTION THREE PROPOSAL EVALUATION

3.1 PROPOSAL EVALUATION PROCEDURE

The State has selected a group of personnel to act as a proposal evaluation team. Subgroups of this team, consisting of one or more team members, will be responsible for evaluating proposals with regard to compliance with RFP requirements. All evaluation personnel will use the evaluation criteria stated in Section 3.2. The Commissioner of IDOA or his designee will, in the exercise of his sole discretion, determine which proposals offer the best means of servicing the interests of the State. The exercise of this discretion will be final.

The procedure for evaluating the proposals against the evaluation criteria will be as follows:

- 3.1.1 Each proposal will be evaluated for adherence to requirements on a pass/fail basis. Proposals that are incomplete or otherwise do not conform to proposal submission requirements may be eliminated from consideration.
- 3.1.2 Each proposal will be evaluated on the basis of the categories included in Section 3.2. A point score has been established for each category.
- 3.1.3 If technical proposals are close to equal, greater weight may be given to price.
- 3.1.4 Based on the results of this evaluation, the qualifying proposal determined to be the most advantageous to the State, taking into account all of the evaluation factors, may be selected by IDOA and ISDH for further action, such as contract negotiations. If, however, IDOA and ISDH decide that no proposal is sufficiently advantageous to the State, the State may take whatever further action is deemed necessary to fulfill its needs. If, for any reason, a proposal is selected and it is not possible to consummate a contract with the Respondent, IDOA may begin contract preparation with the next qualified Respondent or determine that no such alternate proposal exists.

3.2 EVALUATION CRITERIA

Proposals will be evaluated based upon the proven ability of the Respondent to satisfy the requirements of the RFP in a cost-effective manner. Each of the evaluation criteria categories is described below with a brief explanation of the basis for evaluation in that category. The points associated with each category are indicated following the category name (total maximum points = 102). Negative points may be assigned in the cost score. Additionally, there is an opportunity for a bonus of seven points if certain criteria are

met. For further information, please reference Section 3.2.3 below. If any one or more of the listed criteria on which the responses to this RFP will be evaluated are found to be inconsistent or incompatible with applicable federal laws, regulations or policies, the specific criterion or criteria will be disregarded and the responses will be evaluated and scored without taking into account such criterion or criteria.

Summary of Evaluation Criteria:

Criteria	Points
1. Adherence to Mandatory Requirements	Pass/Fail
2. Management Assessment/Quality (Business and Technical Proposal)	35 points
3. Cost (Cost Proposal)	-20 to +20 available points (5 bonus points are available if certain criteria is met)
4. Indiana Economic Impact	15
5. Buy Indiana	10
6. Minority (10) and Women Business (10) Subcontractor Commitment	20
Total	100 (107 if bonus awarded)

All proposals will be evaluated using the following approach.

Step 1

In this step proposals will be evaluated only against Criteria 1 to ensure that they adhere to Mandatory Requirements. Any proposals not meeting the Mandatory Requirements will be disqualified.

Step 2

The proposals that meet the Mandatory Requirements will then be scored based on Criteria 2 and 3 ONLY. This scoring will have a maximum possible score of 55 points with a potential of 5 bonus points if certain criteria are met. All proposals will be ranked on the basis of their combined scores for Criteria 2 and 3 ONLY. This ranking will be used to create a “short list”. Any proposal not making the “short list” will not be considered for any further evaluation.

Step 2 may include one or more rounds of proposal discussions focused on cost and other proposal elements.

Step 3

The short-listed proposals will then be evaluated based on all the entire evaluation criteria outlined in the table above.

If the State conducts additional rounds of discussions and a BAFO round which lead to changes in either the technical or cost proposal for the short listed Respondents, their scores will be recomputed.

The section below describes the different evaluation criteria.

3.2.1 Adherence to Requirements – Pass/Fail

Respondents passing this category move to Phase 2 and proposal is evaluated for Management Assessment/Quality and Price.

The following 2 categories cannot exceed 55 points.

3.2.2 Management Assessment/Quality – 35 points

3.2.3 Price – 20 points available

Cost scores will then be normalized to one another, based on the lowest cost proposal evaluated. The lowest cost proposal receives a total of 20 points. The normalization formula is as follows:

$$\text{Respondent's Cost Score} = (\text{Lowest Cost Proposal} / \text{Total Cost of Proposal}) \times 20$$

3.2.4 Indiana Economic Impact (15 points)

See Section 2.6 for additional information.

The total number of full time equivalent (FTE – please see Section 1.2 for a definition of FTE's) Indiana resident employees for the Respondent's proposal (prime contractor and subcontractors) will be used to evaluate the Respondent's Indiana Economic Impact. Points will be awarded based on a graduated scale. The Respondent with the most Indiana FTEs will be awarded 15 points. Points will then be awarded to the remaining Respondents proportionately.

3.2.5 Buy Indiana Initiative – 10 points

Respondents qualifying as an Indiana Company as defined in Section 2.7 will receive 10 points in this category.

3.2.6 Minority (10 points) & Women's Business (10 points) Subcontractor Commitment - (20 points).

The following formula will be used to determine points to be awarded based on the MBE and WBE goals listed in Section 1.20 of this RFP. Scoring is conducted based on an assigned 20 point plus a possible 2 bonus points scale (MBE: Possible 10 points + 1 bonus point, WBE: Possible 10 points + 1 bonus Point). Points are assigned for respective MBE participation and WBE participation based upon the BAFO meeting or exceeding the established goals.

If the respondent's commitment percentage is less than the established MBE or WBE goal, the maximum points achieved will be awarded according to the following schedule:

%	1%	2%	3%	4%	5%	6%	7%	8%
Pts.	1.25	2.50	3.75	5.00	6.25	7.50	8.75	10.00

NOTE: Fractional percentages will be rounded up or down to the nearest whole percentage. (e.g. 7.49% will be rounded down to 7% = 8.75 pts., 7.50% will be rounded up to 8% = 10.00 pts.)

If the respondent's commitment percentage is 0% for MBE or WBE participation, a deduction of 1 point will be discounted on the respective MBE or WBE score.

The respondent with the greatest applicable CUF participation which exceeds the stated goal for the respective MBE or WBE category will be awarded 11 points (10 points plus 1 bonus point). In cases where there is a tie for the greatest applicable CUF participation and both firms exceed the goal for the respective MBE/WBE category both firms will receive 11 points.

The Commissioner of IDOA or his designee will, in the exercise of his sole discretion, determine which proposal(s) offer the best means of servicing the interests of the State. The exercise of this discretion will be final.
